

AURA

Easy, meaningful  
gifting starts here

# All about Aura frames

At Aura, we pictured a better, more connected digital picture frame — one that gives new life to all your favorite moments. Add endless photos and videos from your phone, from anywhere in the world. Then, invite loved ones in the free Aura app to share and interact, like your own private social network. Thoughtfully designed to feel like a decor piece, every Aura frame boasts a stunning high-res display, plus smart features like photo pairing, automatic color calibration, and free unlimited cloud storage.

Get started in minutes. Enjoy forever.

# WHY YOU'LL LOVE AURA

**01** Get all set up in minutes with our free app & a WiFi connection.

**02** Send photos from phone to frame, from anywhere in the world.

**03** Enjoy free unlimited cloud storage & a crystal-clear HD display.

**04** Invite others to share in the free Aura app (like your own private social network).
